Re: Notice of Ex Parte Presentation -- Carrier Current Systems Including Broadband Over Power Line Systems (ET Docket No. 04-37; ET Docket No. 03-104)

Dear Ms. Dortch:

UTC is hereby filing the following ex parte notice in connection with the above-referenced proceeding. On Thursday, April 4, 2013, the undersigned on behalf of the Utilities Telecom Council (UTC) met with Julius Knapp, Chief of the Office of Engineering and Technology (OET), as well as Anh Wride and Bruce Romano from the OET.

The substance of the discussions was consistent with the comments filed by UTC on the record. UTC urged that the Commission reject the pending petition for reconsideration and support the existing rules for broadband over power line systems in this proceeding.

Please do not hesitate to contact the undersigned if you have any questions

Respectfully,

A handwritten signature in cursive script, appearing to read "Brett Kilbourne", written in dark ink.
